China Pharmaceutical University

Master's Degree Programs Taught in English

China Pharmaceutical University

Brief Introduction

This program combines the study of theories and research work on a range of pharmaceutical issues. The program is designed to prepare students to be leaders in the profession of pharmacy and to provide them with the tools to effectively practice in senior research and teaching positions in the field of innovative pharmaceutical research, biotechnology research, pharmaceutical assessment, design, production and management of new drug in research institutions, universities and enterprises. Students in this program spend the first year studying pharmacy-related courses intensively. From the second year, students are required to choose their research fields and start their research work in different labs accordingly. Before graduation, students must complete all the required courses, publish required articles and defend thesis successfully.

Fields of Research

Medicinal Chemistry, Pharmaceutics, Pharmaceutical Analysis, Pharmacology, Clinical Pharmacy, Pharmacokinetics, Pharmacognosy, Medicinal Chemistry of Natural Products, Marine Pharmacy, Microbiological and Biochemical Pharmacy, Cell Biology, Microbiology, Pharmaceutical Engineering, Biomedical Engineering

Duration: Three years

Application Requirements

- ✧ Applicants should have a bachelor's degree or equivalent academic background
- ✧ Healthy and under the age of 35
- ✧ Minimum English language requirement (IELTS 6.5 or above or IBT 90 or above)
- ✧ Competitive academic and research background

Application Materials

- ✧ Completed application form
- ✧ Passport (personal details page)
- ✧ Two references in signed and sealed envelopes
- ✧ Certified /notarized copies of academic transcripts
- ✧ Certified /notarized copies of graduation/degree certificate

- ✧ English language test score report e.g. IELTS or TOEFL
- ✧ Study and research plan
- ✧ Published academic papers or other academic achievements if applicable
- ✧ Completed Foreigner Physical Examination Form
- ✧ Non-criminal certificate
- ✧ Family financial statement

Online Application

All applicants are required to submit the application online at

<http://international.cpu.edu.cn>

Programs Offering

1. Medicinal Chemistry
2. Pharmaceutics
3. Pharmaceutical Analysis
4. Pharmacology
5. Clinical Pharmacy
6. Pharmacokinetics
7. Pharmacognosy
8. Medicinal Chemistry of Natural Products
9. Marine Pharmacy
10. Microbiological and Biochemical Pharmacy
11. Biology
12. Chemistry
13. Pharmaceutical Engineering
14. Biomedical Engineering

Main Courses offering

1. Advanced Pharmaceutical Analysis
2. Chinese language
3. Frontiers in Cell Biology
4. Advances in Molecular Biology
5. Chinese Culture
6. Advanced Principle of Chemical Science
7. Advanced Organic Chemistry
8. Advanced Biochemistry
9. Advances in Pharmacology
10. Drug Administration in China
11. Advances in Pharmaceutics
12. Pharmaceutical Chinese
13. Pharmacognosy
14. Microbiological and Biochemical Pharmacy/Lab

Annual Fees in RMB

Application fee	400 Yuan (once only)	
Tuition	32000 Yuan	
Accommodation	Single room	12000 Yuan (Jiangning Campus)
	Double room	7200 Yuan (Jiangning Campus)
Insurance	600 Yuan
