## Master's Degree Programs Taught in English

### China Pharmaceutical University

#### Brief Introduction

This program combines the study of theories and research work on a range of pharmaceutical issues. The program is designed to prepare students to be leaders in the profession of pharmacy and to provide them with the tools to effectively practice in senior research and teaching positions in the field of innovative pharmaceutical research, biotechnology research, pharmaceutical assessment, design, production and management of new drug in research institutions, universities and enterprises. Students in this program spend the first year studying pharmacy-related courses intensively. From the second year, students are required to choose their research fields and start their research work in different labs accordingly. Before graduation, students must complete all the required courses, publish required articles and defend thesis successfully.

#### Fields of Research

Medicinal Chemistry, Pharmaceutics, Pharmaceutical Analysis, Pharmacology, Clinical Pharmacy, Pharmacokinetics, Pharmacognosy, Medicinal Chemistry of Natural Products, Marine Pharmacy, Microbiological and Biochemical Pharmacy, Cell Biology, Microbiology, Pharmaceutical Engineering, Biomedical Engineering

**Duration** Three years

**Degree awarded** Master of Science

#### Admission requirements

- ◇ Applicants should have a bachelor's degree or equivalent academic background.
- ◇ Healthy and under the age of 35
- ◇ Minimum English language requirement (IELTS 6.5 or above or IBT 90 or above)

---

## Application materials

- ◇ Completed application form
- ◇ Passport (personal details page)
- ◇ Two references in signed and sealed envelopes
- ◇ Certified /notarized copies of academic transcripts
- ◇ Certified /notarized copies of graduation/degree certificate
- ◇ English language test score report e.g. IELTS or TOEFL
- ◇ Study and research plan
- ◇ Published academic papers or other academic achievements if applicable
- ◇ Completed Foreigner Physical Examination Form

## Online Application

All applicants are required to submit the application online at <http://international.cpu.edu.cn>.

## Main courses offering

Advanced Pharmaceutical Analysis  
Chinese language  
Frontiers in Cell Biology  
Advances in Molecular Biology  
Chinese Culture  
Advanced Principle of Chemical Science  
Advanced Organic Chemistry  
Advanced Biochemistry  
Advances in Pharmacology  
Drug Administration in China  
Advances in Pharmaceutics  
Pharmaceutical Chinese  
Pharmacognosy  
Microbiological and Biochemical Pharmacy/Lab

## Annual Fees in RMB

<b>Application fee</b>	400 Yuan (once only)	
<b>Tuition</b>	32000 Yuan	
<b>Accommodation</b>	Single room	10800 Yuan
	Double room	5400 Yuan
<b>Insurance</b>	600 Yuan
