Chinese Language Program

Introduction

This program is to prepare students to study their degree program in Chinese and is also fit for students aiming to improve their knowledge of Chinese and Chinese language skills. The classes are well-designed to improve students' comprehensive language proficiency: Listening, speaking, reading and writing in order to lay a solid foundation for their further studies. Additionally, Field trips to historical sights and varieties of activities like celebrations of traditional Chinese festivals, speaking contests, sports meeting, etc. are designed to create a genuine Chinese cultural and language environment for all the students to motivate and enhance their language learning. A training certificate will be issued after students finish the courses.

Duration: one semester or one year

Application requirements

1. Applicants must be at least 18 years of age and healthy.
2. High school graduate or above.

Online application

Applicants need to submit online application at

<http://admission.cpu.edu.cn/apply>
