2023 CPU Chinese Government Scholarship

— Chinese University Program

Chinese Government Scholarship — Chinese University Program

Program is established by the Ministry of Education of China (hereinafter referred to as MOE), aiming to support designated Chinese universities to enroll outstanding international students for graduate studies in China.

I Basic Information and Duration of the Scholarships

1. Coverage of the scholarship:

- **Tuition waiver**

- **Accommodation:** free university dormitory; CPU will accommodate scholarship students in a university dormitory (twin room).

- **Stipend:**

Master students: CNY 3,000 per month;

Doctoral students: CNY 3,500 per month.

*Within the scholarship duration, registered scholarship students will receive their stipend from CPU month by month.

Students registering before the 15th of the month (the 15th included) will receive the full stipend of that month. Those who register after the 15th of the month will receive half stipend of that month.

If a registered student stays out of China for more than 15 days (school holidays excluded), his stipend will be stopped during his leaving.

Graduating students will receive stipend until half month after the graduation date.

***How stipend will be given is decided by China Scholarship Council under epidemic situation.**
