

2026 CPU Bachelor Program

China Pharmaceutical University now offers 31 undergraduate programs. The duration of study is 4 years (5 years for clinical pharmacy), of which **clinical pharmacy, pharmacy, International Economics and Trade** can be taught in **English**.

Upon meeting the graduation requirements, the **graduation certificate** will be awarded. Upon obtaining approval from the Academic Degree Committee, the **degree certificate** will be awarded.

Note: All international students enrolled in English-taught undergraduate programs must attain **HSK Level 4** prior to graduation.

1. Eligibility Requirements

1. Nationality

- Applicants must be **non-Chinese citizens**.
- For applicants who originally held Chinese nationality and later acquired foreign nationality, CPU adheres to the provisions outlined in **Announcement No. 12 (2020)** issued by the Ministry of Education of the People's Republic of China.

2. Age Qualifications

- Applicants must be 18–25 years old and have graduated from high school (or equivalent).

- Applicants under 18 years of age as of September 1 of the enrollment year must submit an original notarized guardianship certificate issued by a notary public office in Nanjing. The guardian must be a permanent resident of Nanjing.
- Applicants must possess good moral character, sound physical and mental health, and agree to abide by Chinese laws, regulations, and CPU's rules and regulations.

3. Language Proficiency

Applicants for English-taught programs must demonstrate English proficiency with one of the following valid scores: IELTS 6.5+, TOEFL iBT 90+(or New TOEFL B2 or above), or Duolingo English Test 110+.

4. Academic Qualifications

Programs	CSCA Subjects		
	Subject-Specific Chinese	Mathematics	Chemistry
Chinese-taught business programs	not mandatory but highly recommended	√	
Chinese-taught science/engineering programs	not mandatory but highly recommended	√	√
English-taught International Economics and Trade		√	
English-taught Pharmacy/Clinical Pharmacy		√	√

For detailed information on CSCA test registration, visit: <https://csc.cn/home>

2. Application Procedure

Applicants must register and complete the application via the **CPU International Student Online Application System** (Official

Website: <http://admission.cpu.edu.cn/member/login.do>) within the specified period, and upload the required application documents (see Section 2.3 for details).

2.1 Application Period

- Regular application: December 1, 2025 – June 15, 2026
- Scholarship application: Submit by **June 1, 2026** (limited scholarship quotas; see Section 4 for details)

2.2 Admission Notification

- Results will be announced in **July 2026**.
- Applicants may check their application status via the online system or the registered email.

2.3 Required Application Documents

1. Original or notarized scanned copy of high school diploma (current high school seniors must submit a **predicted graduation certificate** issued by their school; the original/notarized diploma must be provided upon enrollment);
2. Scanned copy of original or notarized high school academic transcripts (or internationally recognized standardized test scores, e.g., SAT/ACT/A-Level/AP/IB);
3. Scanned copy of the **passport bio-page** (valid ordinary passport with expiration date after March 1, 2026). For applicants who previously held Chinese nationality or have one/both Chinese parents: Additional documents required include naturalization proof, renunciation of Chinese nationality certificate (if applicable), foreign birth certificate, and scanned copies of China entry/exit visa records for the past four years;

4. Proof of English proficiency (please refer to the application qualifications for specific requirements);
5. Required CSCA scores (see Section 1.4 for subject-specific requirements);
6. Resume outlining academic and work experience since high school;
7. Study plan (**over 600 words**; English-written for English-taught programs);
8. "Foreigner Physical Examination Form" (completed in English, with all required items inspected). Physical examinations conducted after **November 1, 2025** are valid;
9. For applicants currently studying in China: Passport visa page, certificate of good conduct from the current school, and (for university students) official withdrawal certificate;
10. Police clearance certificate (issued within 6 months prior to application submission);
11. Bank deposit certificate or financial guarantor's income proof;
12. For applicants under 18 years old as of September 1, 2026: Notarized guardianship certificate.
13. Supplementary materials (e.g., award certificates, publications, etc.).

Note: scan the QR code below to download relevant forms.

3. Evaluation & Admission

CPU will evaluate applicants based on high school academic performance, language proficiency, and interview results (interview schedule will be announced separately).

Admitted undergraduate students must:

- Pay a **deposit of RMB 2,000** and an **application fee of RMB 400** by the specified deadline.

- Upload the payment receipt screenshot to the CPU International Student Online Application System.

Upon confirming payment, CPU will issue the **electronic Admission Letter** and **Visa Application Form for Foreign Students (JW202 Form)** in July 2026.

Note: The deposit and application fee are non-refundable if the applicant withdraws admission for personal reasons.

4. Scholarships

Two scholarship options are available for international undergraduate students:

- China Pharmaceutical University President's Scholarship
- Nanjing Municipal Government Scholarship

Application Note:

- Applicants may apply for only one scholarship.
- Upload the scanned Scholarship Application Form to the "Other Documents" section of the online application system when submitting the undergraduate application.

5. Visa Application and Registration

5.1 Visa Application

Admitted students must apply for an **X1 Student Visa** at the nearest Chinese embassy/consulate with the following documents:

- Valid ordinary passport
- Electronic Admission Letter
- Visa Application Form for Foreign Students (JW202 Form)

- Completed Foreigner Physical Examination Form + original medical reports

5.2 Enrollment

- Fall semester enrollment typically takes place in **late August or early**

September (exact date specified in the Admission Letter).

- New students must present **all original application documents** for verification.

Graduates must provide the original high school diploma (or certified copy). Failure to meet admission requirements will result in revocation of admission.

6. Fees (Non-Refundable)

Item	Amount (RMB/Year)
Application Fee	400
Deposit	2,000
Tuition Fee	
- Clinical Pharmacy (English-taught)	25,000
- Pharmacy (English-taught)	25,000
- International Economics and Trade (English-taught)	19,000
- Chinese-taught Programs	19,000
Accommodation Fee	7,200
Insurance Fee	600

Note: All fees are non-refundable once paid.
